

ACTIVITIES

At the Aurora Borealis Observatory we are specialized in the Northern Lights experience. Our location is one of the best locations in the world for Aurora observations. The Aurora is something you experience and observe in the evening and night time. However, there is a lot to do on our wonderful island even when the Northern Lights do not dance over the sky.

Most of the activities are offered through local providers that we cooperate with, while certain activities are organized by us. We recommend you book your activities after your arrival because of the varying weather conditions we experience throughout the year.

ACTIVITY	INFORMATION	PRICE
Senja Island Round Trip	Plan a tour around Senja Island. This is a amazing experience both day and night. We offer this as a day time activity most days but if conditions are good we do it night time as well (different price night time).	1000 NOK pp
Husky Tours	Visit Senja Husky, only 10 minutes away from the resort. Experience dog sledding, hiking trips, and puppy visiting with 30+ siberian huskies. Fits families, couples and individual visitors.	1600 NOK pp
Husky Home Visit	Go visit the huskies over at Senja husky and take part when the dogs run free. If you are lucky you might see when they are fed as well.	590 NOK pp
